Princess TRIARA'S KNIGHT

Michal Gow

Illustrated by Abdullah Yamin

A colorful illustration of a princess with long blonde hair, wearing a yellow crown and a blue dress with red accents, standing on the edge of a grey stone tower. She has a sad expression. The tower is made of grey stone with a large arched opening. In the background, there are rolling green hills, a winding yellow path, and a blue sky with white clouds and a few birds. The scene is set in a lush, green landscape with various bushes and trees.
